CANADIAN IMMIGRATION AND EMIGRATION, 1946-1956

A bibliography compiled from material in the Departmental Library. The arrangement is chronological by year of publication with an author index.

1 Angus, Henry Forbes.
The future of immigration into Canada. (In Canadian Journal of Economics and Political Science, v. 12, p. 279-386, August 1946)

"The suggestions ... are meant to indicate ... how a future policy could be framed, which would protect legitimate Canadian interests and at the same time take account of legitimate world interests, which it is not a Canadian interest to disregard."

2 Canada. Dept. of Mines and Resources.
Report. 1946-1949. Ottawa, 1947-1950. 4 v.

Immigration was under the jurisdiction of the Dept. of Mines and Resources from 1936 to 1949.

3 Canada. Parliament. Senate. Standing Committee on Immigration and Labour.
Proceedings on the operation and administration of the Immigration Act, etc. 1946 - 1953. Ottawa, 1946-1953.

4 Hornby, Montague Leyland.
Canada and post-war immigration. Vancouver, Clarke & Stuart, 1946. 51 p.

"This book is intended for the 'man in the street', the ordinary Canadian citizen, and for the youth of Canada in order to help them to become familiar with certain aspects of Canada's manpower and employment problems and to understand the need for more immigration now."

5 Sandwell, B.K.
Our immigration problem; some facts and fallacies. (In Queen's Quarterly, v. 53, p. 502-510, Winter 1946-1947)

6 Canada. Parliament.House of Commons.
Debates. Official report. Session 1947. v. 3, p. 2644-2647. May 1, 1947.

Statement by the Prime Minister W.L. Mackenzie King concerning Canada's immigration policy.

7 La Chambre de Commerce du District de Montreal.
Brief on immigration. Memoire sur l'immigration. Montreal, 1947. 13 p.

Contents.- Canada's past experience.- Immigration, an economic problem.- The relative importance of the sentimental outlook.- Recommendations.

8 Immigration and Canada's development. (In Bank of Nova Scotia. Monthly Review. New series, no. 14, p. 1-4, July 1947)

Contents.- Migration and population.- The pull of the United States.- What the immigrants did.

9 Pour une politique canadienne d'immigration. (In L'Actualite Economique, 23e annee, p. 542-558, octobre 1947)

Discusses Canadian immigration policy and absorptive capacity.

10 Hornby, Montague Leyland.
Canada's steps toward immigration, 1947. n.p., 1947. 26 p.

"The purpose of this present booklet is to indicate some of the steps by which a national immigration policy may be brought into being."

11 Sandwell, B.K.
Population; a Canadian problem. (In Queen's Quarterly, v. 54, p. 312-322, Autumn 1947)

Historical background of Canadian immigration, immigration policy, and emigration to the United States.

12 The effect of immigration in relieving labour shortages during 1947. (In Labour Gazette, v. 48, p. 147-153, March 1948)

13 Keenleyside, Hugh Llewellyn.
Canadian immigration policy. Vancouver, University of British Columbia, 1948. 17 p. (Lecture series no. 3)

14 Stuchen, Philip.
Canada's newcomers; the displaced persons. (In Queen's Quarterly, v. 55, p. 197-205, Summer 1948)

.5 Canadian immigration policy and its administration. (In External Affairs, v. 1, p. 3-11, May 1949)

"An address by Dr. H.L. Keenleyside, Deputy Minister of Mines and Resources at the Symposium on Canadian Population and Immigration, held at McMaster University, Hamilton, Ontario, on April 21 and 22, 1949".

.6 Clarke, Owen.
The examination of immigrants. Cambridge, England, 1949. 112 p. Processed.

Contents.- The human problem of immigration.- The importance of medical examination in immigration control.- Pulmonary tuberculosis in immigrants.- Consideration of the administrative problem.

.7 McMaster symposium on population growth and immigration into Canada. Hamilton, Ontario, April 21-22nd, 1949.
Programme and abstracts of papers for an invitation symposium on population growth and immigration into Canada, April 21st and 22nd, 1949. Hamilton, 1949. 1 v. (various pagings)

.8 Morgan, Lucy Ingram.
Immigration, emigration and external trade. (In The Canadian Banker, v. 56, p. 110-118, Autumn 1949)

"In the history of Canada's population growth, and particularly that aspect of it which relates to the inflow of immigration and the outflow of emigration, her dependence on exports and her proximity to the United States, have been two of the great shaping forces."

19 Population growth and immigration into Canada. (In The Labour Gazette, v. 49, p. 961-968, August 1949)

Based on the draft summary of the Symposium on population growth and immigration into Canada, McMaster University, April 22, 1949.

"Fundamentally, a Canadian immigration program must be guided by objective economic considerations. At the same time, however, subjective factors cannot be denied, and the attitudes of economic and regional groups within the country must always have a strong influence on periodic changes in policy."

20 Canada. Dept. of Citizenship and Immigration.
Report. 1950-55. Ottawa, 1951-1955. 6 v.

21 Best, J. Calbert.
Canadian immigration patterns and policies. (In Labour Gazette, v. 50, p. 1512-1522, Sept. 1950)

"Some 350 years ago, 28 French settlers wintered at Quebec. They began the period of European immigration to Canada. Its dominant pattern has been one of large influxes of people in periods of prosperity, easing off in more difficult times. Since the end of World War II, when a definite Government policy was established, the Dept. of Labour has played an important role in the selection and placement of large numbers of new Canadian settlers."

22 Graves, John.
Dealing in futures. (In Canadian Geographical Journal, v. 40, p. 274-282, June 1950)

Canada's immigration program and the new Canadians.

23 Timlin, Mabel F.
Economic theory and immigration policy. (In The Canadian Journal of of Economics and Political Science, v. 16, p. 375-382, August 1950)

"The first section will give consideration to the usefulness of optimum theory and general economic theory in the formulation of immigration policies; the second section will give a brief outline of a few of the hypothesis suggested by theory and of some of the quantitative inquiries which would be useful in testing hypothesis."

24 La Conference Nationale sur les problemes des immigrants. Montreal les 21 et 22 avril 1951.
Rapport. Montreal, Secretariat National de l'Action Catholique Canadienne, Section Francaise, 1951. 75 p.

25 Corbett, D.C.
Immigration and economic development. (In The Canadian Journal of Economics and Political Science, v. 17, p. 360-368, August 1951)

This paper was presented to the annual meeting of the Canadian Political Science Association in Montreal, June 8, 1951.

26 Fincham, George E.
A statistical survey of immigration to Canada, 1852-1950. Ottawa, Dept. of Citizenship and Immigration, 1951. 61 p. Processed.

27 Greening, W.
Is the French-Canadian attitude towards immigration changing? (In The Dalhousie Review, v. 31, p. 43-47, Spring, 1951)

28 Harris, Walter.
Statement on immigration by the Hon. Walter Harris, K.C., House of Commons, June 26, 1951. 15 p. Processed.

29 Timlin, Mabel F.
Does Canada need more people? Toronto, Oxford University Press, 1951. 143 p.

"Miss Timlin examines the economic aspects of immigration, and shows how a host of external and internal circumstances govern Canada's power for absorbing immigrants."
